No General Meetings in June, July or August

Please attend all our events
and volunteer. And you'll
make new friends too!

Hi Lab Enthusiasts~

June is here and it's a typical Green Northwest Weather forecast... rain! That should not keep you from brushing up your Lab for the upcoming O.K. on Sauvie Island this Saturday. If you wish to help or need more information, call Dan/Deb Neal who are Chairing this event.

I was sorry to miss the B-match as I heard from everyone it was a howling success. Thanks go out to the Chambers for allowing us their beautiful Farm for our Match. The goings on was well attended and there are some great photos (thanks to Scott Chambers) in this Newsletter. I think that was the only full sun day we've had all spring... what good luck!

We will not be having any General Membership meetings until later on this Fall as our big Events take center stage. Speaking of those big events, if there is anyone who would like to learn about our Club's Hunting Retriever Test (HRT) that's coming right up (see information in Newsletter), there's no better way than to contact our Chairs: Nikki & Dave Illius. They would love any volunteers with a willingness to learn what it's all about.

The Specialty is still looking for helpers and especially the work it takes to "Put up and Tear Down" Obedience and Conformation rings. It is not enough to be a member who enters the events, shows and goes. We always need everyone who is a member to pitch in when it comes to working these events so please come and help... see this year's Chairperson, Julie Galbraith... she will know just the right job for you!

I will hope to see many of you at Saturday's W.C. Field Event... see you there!

Your President, Barb

2010 B Match

The 2010 B-Match has come and gone. The weather was great, the grounds were beautiful, the food was delicious and the company was wonderful. Most of all, the dogs were gorgeous!

I want to thank everyone and I hope I don't miss a single person:

First, thank you to Judy and Scott Chambers. Without their support to the club in offering their wonderful home and lovely grounds at almost the last minute, the match may not have happened this year.

Thank you to the judges, Debbie Mueller, Ellen Sparks and Christine Crosby. You did a great job.

Thank you to the stewards, Kathy Fagundes, Lili Lobinger, and Tanja Rutherford. You kept the rings moving smoothly.

Thank you to the entry takers Tanja Rutherford and Kathy Fagundes and, of course, Greg Huntzinger - our main money man. Great job.

Thanks to Richard and Marilyn Parker for once again having the trailer at our beck and call and to all who helped set up and tear down! I cannot even begin to name names here because there were so many who jumped in to help with this task and I don't want to leave anyone out.

Thank you to Cathy Hakola, my co-chair for all of her help organizing. I could not have done it without you!

Last but not least (in fact the most important of all), thank you to all of the exhibitors - if not for you, there would be no match.

Please, now we need a 2011 Match Chair to step up to the plate!

Thanks again,

Cindy Freeman
2010 Match Chair

2010 RCLRC Specialty

I am really looking forward to a warm summery July and everything is right on track for the 2010 Specialty! We will be the 1st Labrador Specialty to hold 12-15 and 15-18 Classes in Conformation, since the new AKC rule, to divide the 12-18 Conformation Class, goes into effect July 1, 2010. We will also be awarding Select Dog and Select Bitch, from the Specials, with points going toward the new Grand Champion title.

The Champoeg parking fee has gone up to \$5.00 per day. Also, other than one saved parking space for the RCLRC trailer and one space for the judges, cones will not be allowed to save parking spaces.

Let's all support our Club, with a Silent Auction Basket!!
I can't wait to see everyone's creative basket ideas!!
